### INSPECTORS

Captain Keith K. Tatom, Executive Officer, Captain Alvin Sessions and Captain J.T. Hazard District Inspectors, made a complete inspection of camp during the past week.

Chaplain R.E. Curtis gave a lecture on "Consideration of Your Fellowmen" on Friday, November 18th. On Saturday, November 19th., Chaplain F.G. Lamb held an early morning Mass for the Catholic men.

### PROGRAM

On Friday, November 26th., a musical program and a historical film will be shown to the company by a group of local people. Show your appreciation by attending.

### SPIKE CAMP RETURNS

All but five members of the company on Detached Service with the Mt. Pleasant Camp have returned to the home camp for the winter months.

### ARMISTICE DAY

A holiday was given to the members of the company in observance of Armistice Day on Friday, November 11th.

### BAGS DEER

Fred North, First Sergeant for Company 4792, was successful in his hunt for deer this season. Fred bagged a three-point buck out in Center Canyon.

### BARRACKS PAINTED

All of the camp barracks are being painted a desert tan color. These coatings of paint will add much to the appearance of the camp and the cleanliness of the buildings.

### TRANSFER

A recent change in the Transfer Regulations now make it possible for an enrollee having served eleven months or longer to be eligible for transfer to his own corps.

# SPORTS

## BASKETBALL

There are now sixty-five members out for basketball. Because of the limited amount of basketball equipment and experienced players the C team will be picked from twenty aspirants. The rest of those that are interested in basketball can participate for the recreational value received. Practices will be held every Tuesday and Thursday at 6:30 P.M., and Saturdays at 1:00 P.M. in the small High School Gymnasium.

## BOXING

The boxing gloves must be checked out before using. The small room at the rear of the Educational Building is to be used. Do not take the gloves to the barracks.

SUPPORT YOUR B BASKETBALL TEAM'.

## BOXING

John (Red) Woods, Harry (Iron Man) Justice, and Pete Selvidge are tentatively signed to box at Roosevelt, Utah on December 22nd. Red is scheduled to take on a promising local boy. Harry is to fight the highly touted Tony Marks from the Bridgeland CCC Camp. The opponent for Pete is a former A.A.U. champ. These bouts have all the earmarkings of a good card. The boys will begin their training after Thanksgiving and should be in good shape to handle their opponents on the scheduled date.

## ICE SKATING

There is now some good ice out at the Old Mill Ponds about one half mile straight east from the Bank Corner.

There is some Hockey equipment in the Supply and if at all possible a C Hockey Team will be organized for play during the winter months. All those interested and able to skate some, please, report to the E.A. It would be advisable for those of you having skates back home to send for them.

## SKIING

This is an ideal skiing country. There are some skis available at the Supply Room.

## JOKES

J.B. Shouting on the Bank Corner-- "Has anyone seen my 98 pounds of Utah Wildcat?"

Joe Lilly--the owner of a cheap watch--took it to a jeweler.

"Of course," he admitted, "the mistake was in dropping it."

"Well, I don't suppose you could help that," the jeweler replied. "The mistake you made, I think, was in picking it up again."

Pasking-- "A crack like that means fight where I come from!"

Hipps-- "Well, why don't you fight?"

Pasking-- "Because I'm not where I come from."

Morse-- This coat is not a very good fit.

Ringert-- What do you expect for five dollars - an attack of epilepsy?

Moran-- "I fell downstairs with two pints of whiskey, yesterday."

J.P.-- "Did you spill it?"

Moran-- "No, I kept my mouth shut."

Gal-- "Won't you give me just one kiss?"

Wurfett-- "Honey, I'm no retailer."

Garlock-- "How did you break your leg?"

Watts-- "I threw a cigarette in a manhole and stepped on it."
